Drakes Creek Park  
Start and Finish

Cut through back  
of High School  
Parking lot

This is an extension to the Island Drive run, brought to us by James H - just keeps weaving deeper into the neighborhoods of the Indian Lake Peninsula, be careful to stay with the group, it is easy to get lost in the maze of streets. Quiet and shaded. Bring water in the summer, run with James and you can stop at his house . Even if you don't run with James stop by his house. Enjoy.
